Auditors' Report

To the Board of Directors of The Federal Liberal Agency of Canada, Chief Agent for the Liberal Party of Canada

We have audited the statement of financial position of **The Federal Liberal Agency of Canada** as at December 31, 2002 and the statements of operations, changes in net assets (liabilities) and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many not-for-profit organizations, the Agency derives revenue from contributions and other sources, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Agency and we were not able to determine whether any adjustments might be necessary to revenue, constituency and other party organizations' share of contributions, excess of revenue (expense) for the year, assets and net assets (liabilities).

In our opinion, except for the effects of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of contributions and other revenue referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Agency as at December 31, 2002 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1 Significant accounting policies

Basis of presentation

The Liberal Party of Canada is a federation composed of the following provincial and territorial associations:

- Liberal Party of Newfoundland and Labrador;
- Liberal Party of Prince Edward Island;
- Nova Scotia Liberal Party;
- New Brunswick Liberal Association;
- Liberal Party of Canada (Quebec);
- Liberal Party of Canada (Ontario);
- Liberal Party in Manitoba;
- Saskatchewan Liberal Association;
- Liberal Party of Canada in Alberta;
- Liberal Party of Canada in British Columbia;
- Yukon Liberal Association;
- Northwest Territories Liberal Association; and
- Nunavut Liberal Association

The provincial and territorial associations and their constituency associations (the "Associations") operate independently of the Agency although all contributions received by them are remitted to the Agency who issues receipts for donations. In accordance with agreements with each Association, a portion of the contributions are returned to them. Consequently, the financial statements disclose the gross amount of contributions received nationally with the amounts returned to the Associations shown as a deduction from gross revenue. The Agency also makes operating support payments, as required, to these Associations which are recorded as an expense of the Agency.

The Agency also receipts donations for the Judy LaMarsh Fund (the "Fund"), a separate corporation, and the Aboriginal Electoral Endowment Trust (the "Trust"), a legal trust. The financial statements include these donations as contributions and the amounts returned to the Fund and the Trust are included in constituency, provincial and territorial Associations' share of contributions.

These financial statements reflect the activities of the Federal Liberal Agency of Canada (the "Agency"), a company incorporated under the Laws of Canada. The Agency is the Chief Agent for the Liberal Party of Canada (the "Party") and as such is responsible for issuing receipts for donations received at all levels of the Party and for fulfilling the legal responsibilities of the Party as required by the Canada Elections Act.

The Agency accounts for only those expenditures incurred by the National Office of the Party, including transfers to the associations of the Party.

Revenue recognition

Contributions and participant fees for the biennial convention are generally recognized as revenue when received by the Agency or Associations.

Contributed materials and services, except volunteer labour, are recorded at fair value. Except where required by the Canada Elections Act, the value of volunteer labour is not recorded in the financial statements.

Capital assets

Capital assets are recorded at cost and are depreciated, over their estimated service lives, on a straight-line basis as follows:

Print shop equipment	5 years
Furniture and fixtures	5 years
Computer equipment	3 years
Leasehold improvements	5 years

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

5 Financial instruments

Financial instruments recognized in the balance sheet consist of cash, accounts receivable, accounts payable and accrued liabilities and demand bank loans. It is management's opinion that the Agency is not exposed to significant credit risks arising from these financial instruments. Management also believes the carrying value of these instruments approximates their fair values due to their short term to majority and the prime interest rate on the demand loans.

6 Net change in non-cash working capital items

	2002 $	2001 $
Accounts receivable	32,833	6,087,727
Prepaid expenses	(23,051)	20,471
Accounts payable and accrued liabilities	(1,805,055)	(5,287,304)
	(1,795,273)	820,894

7 Subsequent event

On June 12, 2003, the House of Commons passed Bill C-24 amending the Canada Elections Act and on June 19, 2003, the Bill was passed by the Senate of Canada. It is expected that Royal Assent will be granted shortly with an expected implementation date of January 1, 2004. Bill C-24 will prohibit political parties from accepting political contributions from non-individuals and replace it with an annual government subsidy of $1.75 per vote based on the most recent federal general election. Additionally, the Bill increases the rebate to political parties for eligible general election expenditures from 22.5% to 60% for the next general election and to 50% thereafter.

Management is reviewing the financial implications of the bill on The Federal Liberal Agency of Canada and the members of the federation of the Liberal Party of Canada. Consequently, at this time, Management is unable to determine the financial impact of the effect of Bill C-24 on the future financial results of The Federal Liberal Agency of Canada.

Rapport des vérificateurs

Au conseil d'administration de l'Agence libérale fédérale du Canada, agent principal du Parti libéral du Canada

Nous avons vérifié le bilan de l'**Agence libérale fédérale du Canada** au 31 décembre 2002 ainsi que les états des résultats, de l'évolution de l'actif (du passif) net et des flux de trésorerie pour l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction de l'Agence. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe suivant, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, l'Agence tire des revenus de dons et d'autres sources dont il n'est pas possible de vérifier l'intégralité de façon satisfaisante. Par conséquent, notre vérification de ces revenus s'est limitée aux montants comptabilisés dans les comptes de l'Agence et nous n'avons pu déterminer si des redressements auraient dû être apportés au montant des revenus, de la part des dons des circonscriptions et des autres associations du Parti, de l'excédent des revenus pour l'exercice, de l'actif et des surplus.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les dons et les autres revenus mentionnés dans le paragraphe précédent ont tous été comptabilisés, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière de l'Agence au 31 décembre 2002 ainsi que des résultats de son exploitation, de l'évolution de son actif (passif) net et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

1 Principales conventions comptables

Mode de présentation

Le Parti libéral du Canada est une fédération constituée des associations provinciales et territoriales suivantes :

- Le Parti libéral de Terre-Neuve et du Labrador
- Le Parti libéral de l'Île-du-Prince-Édouard
- Le Parti libéral de la Nouvelle-Écosse
- L'Association libérale du Nouveau-Brunswick
- Le Parti libéral du Canada (Québec)
- Le Parti libéral du Canada (Ontario)
- Le Parti libéral au Manitoba
- L'Association libérale de la Saskatchewan
- Le Parti libéral du Canada en Alberta
- Le Parti libéral du Canada en Colombie-Britannique
- L'Association libérale du Yukon
- L'Association libérale des Territoires du Nord-Ouest
- L'Association libérale du Nunavut

Les associations provinciales et territoriales et leurs associations de circonscription respectives (les « associations ») fonctionnent indépendamment de l'Agence, bien qu'elles remettent toutes les contributions qu'elles reçoivent à l'Agence, qui délivre les reçus de contributions. Aux termes des ententes conclues avec chaque association, une partie des contributions lui est remise. Par conséquent, le montant brut des contributions reçues à l'échelle nationale est présenté dans les états financiers, et les montants remis aux associations sont déduits du produit brut. De plus, l'Agence verse aux associations, au besoin, des paiements de soutien de fonctionnement, qu'elle comptabilise à titre de charge.

L'Agence reçoit également des dons destinés au Fonds Judy LaMarsh (le « Fonds »), société distincte, ainsi qu'à la Fondation électorale autochtone (la « Fondation »), fiducie dûment constituée. Ces dons sont constatés comme contributions dans les états financiers et les sommes remises au Fonds et à la Fondation sont incluses dans le poste « Part des contributions des associations de circonscription et des associations provinciales et territoriales ».

Ces états financiers rendent compte des activités de l'Agence libérale fédérale du Canada (l'« Agence »), société constituée en vertu des lois du Canada. L'Agence est l'agent principal du Parti libéral du Canada (le « Parti ») et, à ce titre, il lui incombe de délivrer les reçus pour toutes les contributions reçues par le Parti et de satisfaire aux obligations juridiques du Parti, qui sont prescrites aux termes de la *Loi électorale du Canada*.

L'Agence ne comptabilise que les dépenses engagées par le bureau national du Parti, y compris les transferts aux associations du Parti.

Constatation des produits

Les contributions et les frais de participation au congrès biennal sont habituellement comptabilisés à titre de produits au moment où ils sont reçus par l'Agence ou ses associations.

Les contributions reçues sous forme de fournitures et de services, à l'exception du travail bénévole, sont constatées à la juste valeur. Sauf lorsqu'il est requis aux termes de la *Loi électorale du Canada*, la valeur du travail bénévole n'est pas constatée dans les états financiers.

Immobilisations

Les immobilisations sont inscrites au coût et amorties selon la méthode linéaire sur leur durée de vie utile estimative comme suit :

Matériel d'imprimerie	5 ans
Mobilier et agencements	5 ans
Matériel informatique	3 ans
Améliorations locatives	5 ans

Utilisation d'estimations

La préparation des états financiers conformément aux principes comptables généralement reconnus du Canada exige que la direction procède à des estimations et formule des hypothèses qui influent sur les montants constatés du passif et de l'actif ainsi que sur la présentation des éléments d'actif et de passif éventuels aux dates des états financiers et sur les produits et les charges constatés pour les exercices visés. Les résultats réels pourraient différer de ces estimations.

3 Emprunts bancaires à vue

Les emprunts bancaires à vue, qui ont été contractés auprès de six banques canadiennes, sont assortis du taux préférentiel des banques.

4 Engagements découlant des contrats de location

Les versements minimaux futurs au titre des contrats de location-exploitation relatifs aux locaux s'établissent comme suit :

5 Instruments financiers

Les instruments financiers présentés dans le bilan comprennent les espèces, les comptes débiteurs, les comptes créditeurs et les charges à payer et les emprunts bancaires à vue. La direction est d'avis que l'Agence n'est pas exposée à des risques de crédit importants découlant de ces instruments financiers. La direction croit aussi que la valeur comptable de ces instruments se rapproche de la juste valeur étant donné la courte durée à l'échéance et le taux préférentiel sur les emprunts bancaires à vue.

7 Événement postérieur à la date du bilan (sans vérification)

Le 12 juin 2003, la Chambre des communes a adopté le projet de loi C-24 modifiant la Loi électorale du Canada et, le 19 juin 2003, le projet de loi a été adopté par le Sénat canadien. Le projet de loi doit recevoir la sanction royale sous peu et il devrait être effectif le 1er janvier 2004. Le projet de loi C-24 vise notamment à interdire aux partis politiques d'accepter des contributions politiques de personnes qui ne sont pas des particuliers et remplacer ces contributions par une subvention publique annuelle de 1,75 $ par vote selon les résultats de la plus récente élection fédérale. De plus, le projet de loi augmente le remboursement fait aux partis politiques des dépenses électorales générales admissibles, lequel passe d'un taux de 22,5 % à celui de 60 % aux prochaines élections, et à celui de 50 % par la suite.

La direction étudie les incidences financière du projet de loi sur l'Agence libérale du Canada et les membres de la fédération du Parti libéral du Canada. Par conséquent, la direction n'est pas en mesure pour l'instant de déterminer l'incidence financière exacte du projet de loi C-24 sur les résultats financiers futurs de l'Agence libérale fédérale du Canada.

RAPPORT DU VÉRIFICATEUR

À la Direction du Financement des Élections
ÉLECTIONS CANADA

J'ai vérifié le rapport financier du **PARTI MARIJUANA / MARIJUANA PARTY**, exigé en vertu de l'article 424 de la Loi électorale du Canada, pour l'exercice terminé le 31 décembre 2002. La responsabilité de l'information financière contenue dans ce rapport financier incombe à l'agent principal du parti. Ma responsabilité consiste à exprimer une opinion sur ce rapport financier en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada, et était destinée à me permettre d'exprimer une opinion conformément au paragraphe 426(1) de la Loi électorale du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que le rapport financier est exempt d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans le rapport financier. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble du rapport financier.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

A mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ce rapport financier donne, à tous les égards importants, une image fidèle de la situation financière du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2002 ainsi que des résultats de son exploitation pour l'exercice terminé le 31 décembre 2002 selon les principes comptables généralement reconnus du Canada.

4. On the last page of Part 5, on the line "B" enter the total amount of all non-monetary contributions from persons or organizations who are in the business of providing such property or services with a commercial value of $200 or less, by class of contributor. Part 12 - Statement of contributions returned to contributor or otherwise dealt with in accordance with the Act [424(2)(k)]

In this section, list the contributions received and deposited in the bank account or used by the chief agent or a registered agent but considered ineligible contributions under the Act. These contributions would include anonymous contributions, contributions from prohibited sources, and contributions that the chief agent wishes to return to the contributor for whatever reason.

If the chief agent is unable to determine to which class of contributor the contributor belongs, or if the contribution exceeds $200 and the chief agent does not know the name and address of the contributor and, in the case of a contribution by a numbered company, the name of the chief executive officer or the president, the chief agent must pay without delay the amount equal to the value of the contribution received from such a contributor to the Chief Electoral Officer, who will forward it to the Receiver General for Canada.

The following persons are not eligible to make a contribution to a party:

- a person who is not a Canadian citizen or a permanent resident of Canada as defined in subsection 2(1) of the *Immigration Act*;
- a corporation or an association that does not carry on business in Canada;
- a trade union that does not hold bargaining rights for employees in Canada;
- a foreign political party; and
- a foreign government or an agent of a foreign government.

If the chief agent or a registered agent receives a contribution from one of these sources, the chief agent must, within 30 days of becoming aware of the ineligibility of the contribution, return the contribution to the contributor. If that is not possible, the chief agent must forward the contribution to the Chief Electoral Officer, who will forward this amount to the Receiver General for Canada.

1. Enter the date that the contribution in question was received.
2. Enter the name of the contributor, if known.

Ces contributions incluraient les contributions anonymes, les contributions provenant de sources interdites et les contributions que l'agent principal désire retourner au donateur pour quelque raison que ce soit.

Si l'agent principal est incapable d'établir à quelle catégorie le donateur appartient ou si la contribution est supérieure à 200 $ et qu'il ne connaît pas les nom et adresse du donateur ou, dans le cas d'une contribution d'une société à dénomination numérique, le nom du premier dirigeant ou du président de cette société, il doit remettre sans délai une somme d'argent égale à la valeur de la contribution reçue de ce donateur au directeur général des élections, qui la transmettra au receveur général du Canada.

Ne sont pas admissibles à apporter une contribution à un parti :

- une personne qui n'est ni citoyen canadien ni résident permanent au sens du paragraphe 2(1) de la *Loi sur l'immigration*;
- une personne morale ou une association qui n'exerce pas d'activités au Canada;
- un syndicat qui n'est pas titulaire d'un droit de négocier collectivement au Canada;
- un parti politique étranger;
- un État étranger ou un de ses mandataires.

En cas de réception d'une contribution d'une telle source, l'agent principal ou un agent enregistré doit, dans les 30 jours suivant le moment où il prend connaissance de l'inadmissibilité du donateur, remettre la contribution au donateur. Si ce n'est pas possible, il doit la remettre au directeur général des élections, qui la transmettra au receveur général du Canada.

1. Inscrire la date de réception de la contribution en question.

RAPPORT DU VÉRIFICATEUR

À l'Agent Principal du :
PARTI MARIJUANA / MARIJUANA PARTY

J'ai vérifié le bilan du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2002 ainsi que les états des résultats et de l'évolution des actifs nets de l'exercice terminé le 31 décembre 2002. En qualité d'agent principal du parti, c'est à vous qu'incombe la responsabilité de l'information financière contenue dans ces états financiers. Ma responsabilité consiste à exprimer une opinion sur ces états financiers en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

A mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2002 ainsi que des résultats de son exploitation pour l'exercice terminé le 31 décembre 2002 selon les principes comptables généralement reconnus du Canada.

Part 9 - Details of contributions received through an electoral district association [424(2)(c)(d)]

No person or entity, other than a registered party's electoral district association, a trust fund established for the election of a candidate endorsed by the registered party or candidates endorsed by a registered party, may make a contribution to a registered party that comes from money, property or the services of another person or entity.

When contributions are included in the funds or goods and services transferred to the registered party from an electoral district association, the chief agent must disclose in this part the details of such monetary and non-monetary contributions or such loans. For contributions or loans in excess of $200, the chief agent must disclose the name, address, class of contributor and the amount or commercial value of the contribution or loan. In addition, if the contributor is a numbered company, the name of the chief executive officer or the president of the company must be disclosed. In the absence of information identifying specific contributors who contributed through an electoral district association, list on this part the name and address of every contributor, by class, who made a contribution of a total amount of more than $200 in the fiscal period to which this return relates.

1. Enter the name of the electoral district association. Start a new page for each electoral district association.

4. Enter the amount of money, the commercial value of goods and services and the value of loans included in the transfers representing contributions from contributors of amounts of more than $200.

If the identity of all the specific contributors whose contributions form part of the transfer is known, put a check mark in the top box on the right of the amounts and provide the contributor information below. Alternatively, if the information on the specific identity of the contributors is not known, put a check mark in the lower box and disclose the identity of all contributors who have contributed an aggregate amount in excess of $200 since the last fiscal period and provide this information below.

Il est interdit à toute personne ou entité, sauf une association de circonscription d'un parti enregistré, une fiducie constituée pour l'élection d'un candidat soutenu par un parti enregistré ou un candidat soutenu par un parti enregistré, d'apporter à un parti enregistré une contribution qui provient des fonds, des biens ou des services d'une autre personne ou entité.

Part 12 - Statement of contributions returned to contributor or otherwise dealt with in accordance with the Act [424(2)(k)]

In this section, list the contributions received and deposited in the bank account or used by the chief agent or a registered agent but considered ineligible contributions under the Act. These contributions would include anonymous contributions, contributions from prohibited sources, and contributions that the chief agent wishes to return to the contributor for whatever reason.

If the chief agent is unable to determine to which class of contributor the contributor belongs, or if the contribution exceeds $200 and the chief agent does not know the name and address of the contributor and, in the case of a contribution by a numbered company, the name of the chief executive officer or the president, the chief agent must pay without delay the amount equal to the value of the contribution received from such a contributor to the Chief Electoral Officer, who will forward it to the Receiver General for Canada.

The following persons are not eligible to make a contribution to a party:
- a person who is not a Canadian citizen or a permanent resident of Canada as defined in subsection 2(1) of the *Immigration Act*;
- a corporation or an association that does not carry on business in Canada;
- a trade union that does not hold bargaining rights for employees in Canada;
- a foreign political party; and
- a foreign government or an agent of a foreign government.

If the chief agent or a registered agent receives a contribution from one of these sources, the chief agent must, within 30 days of becoming aware of the ineligibility of the contribution, return the contribution to the contributor. If that is not possible, the chief agent must forward the contribution to the Chief Electoral Officer, who will forward this amount to the Receiver General for Canada.

1. Enter the date that the contribution in question was received.

2. Enter the name of the contributor, if known.

   If the contributor is a numbered company, you must also provide the name of the chief executive officer or president of that company.

3. Enter the contributor's address and postal code, if known.

4. Enter the class of contributor, if known.

5. Enter the amount of the contribution.

6. Enter either the date the contribution was returned to the contributor, or the date that the contribution was forwarded to the Chief Electoral Officer.

Énumérer dans cette section du rapport les contributions que l'agent principal ou un agent enregistré a reçues et qui ont été déposées dans le compte de banque ou utilisées, mais qui ne sont pas considérées admissibles selon la Loi. Ces contributions incluraient les contributions anonymes, les contributions provenant de sources interdites et les contributions que l'agent principal désire retourner au donateur pour quelque raison que ce soit.

Si l'agent principal est incapable d'établir à quelle catégorie le donateur appartient ou si la contribution est supérieure à 200 $ et qu'il ne connait pas les nom et adresse du donateur ou, dans le cas d'une contribution d'une société à dénomination numérique, le nom du premier dirigeant ou du président de cette société, il doit remettre sans délai une somme d'argent égale à la valeur de la contribution reçue de ce donateur au directeur général des élections, qui la transmettra au receveur général du Canada.

Ne sont pas admissibles à apporter une contribution à un parti :
- une personne qui n'est ni citoyen canadien ni résident permanent au sens du paragraphe 2(1) de la *Loi sur l'immigration*;
- une personne morale ou une association qui n'exerce pas d'activités au Canada;
- un syndicat qui n'est pas titulaire d'un droit de négocier collectivement au Canada;
- un parti politique étranger;
- un État étranger ou un de ses mandataires.

En cas de réception d'une contribution d'une telle source, l'agent principal ou un agent enregistré doit, dans les 30 jours suivant le moment où il prend connaissance de l'inadmissibilité du donateur, remettre la contribution au donateur. Si ce n'est pas possible, il doit la remettre au directeur général des élections, qui la transmettra au receveur général du Canada.

1. Inscrire la date de réception de la contribution en question.

2. Inscrire le nom du donateur, s'il est connu.

   Si le donateur est une société à dénomination numérique, il faut également indiquer le nom du premier dirigeant ou du président de la société.

RAPPORT DU VÉRIFICATEUR

Au directeur général des élections du Canada

À la demande du Parti Marxiste-Léniniste du Canada, j'ai vérifié son rapport financier en vertu de La Loi électorale du Canada pour l'exercice terminé le 31 décembre 2002. La responsabilité de ce rapport financier incombe à la direction du parti Marxiste-Léniniste du Canada. Ma responsabilité consiste à exprimer, en vertu de l'article 426(1) de la Loi, une opinion sur ce rapport financier en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier, de façon satisfaisante, si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

À mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ce rapport financier donne, à tous les égards importants, une image fidèle de la situation financière du parti au 31 décembre 2002 ainsi que des résultats de son exploitation et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

AUDITOR'S REPORT
(Pursuant to the Canada Elections Act)

To the Natural Law Party Fund
Chief Agent of the Natural Law Party of Canada

I have audited the Natural Law Party of Canada's Financial Transactions Return and Trust Fund Return for 2002, the statement of Assets and Liabilities as at December 31, 2002 and the statements of Revenues and Expenses and Deficit for the year then ended. These statements are the responsibility of the Chief Agent of the Party. My responsibility is to express an opinion on the statements based on my audit.

Except as explained in the following paragraph, I conducted my audit in accordance with Canadian generally accepted auditing standards and the requirements of Section 426(1) of the Canada Elections Act. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by the Chief Agent of the Party, as well as evaluating the overall presentation of the financial information.

The Act does not require me to report, nor was it practicable for me to determine, that the accounting records include all transactions of the Party and, thus, my audit was not designed to determine the extent of omissions, if any, from the accounting records.

In my opinion, the Financial Transaction Return, Trust Fund Return, statements of Assets and Liabilities, Revenues and Expenditures and Deficit of the Natural Law party of Canada present fairly, in all material respects, the information contained in the accounting records on which the returns are based in accordance with the accounting requirements of the Canada Elections Act and the accounting guidelines issued by Elections Canada.

In this section, list the contributions received and deposited in the bank account or used by the chief agent or a registered agent but considered ineligible contributions under the Act. These contributions would include anonymous contributions, contributions from prohibited sources, and contributions that the chief agent wishes to return to the contributor for whatever reason.

If the chief agent is unable to determine to which class of contributor the contributor belongs, or if the contribution exceeds $200 and the chief agent does not know the name and address of the contributor and, in the case of a contribution by a numbered company, the name of the chief executive officer or the president, the chief agent must pay without delay the amount equal to the value of the contribution received from such a contributor to the Chief Electoral Officer, who will forward it to the Receiver General for Canada.

The following persons are not eligible to make a contribution to a party:

- a corporation or an association that does not carry on business in Canada;
- a trade union that does not hold bargaining rights for employees in Canada;
- a foreign political party; and
- a foreign government or an agent of a foreign government.

If the chief agent or a registered agent receives a contribution from one of these sources, the chief agent must, within 30 days of becoming aware of the ineligibility of the contribution, return the contribution to the contributor. Ces contributions incluraient les contributions anonymes, les contributions provenant de sources interdites et les contributions que l'agent principal désire retourner au donateur pour quelque raison que ce soit.

Si l'agent principal est incapable d'établir à quelle catégorie le donateur appartient ou si la contribution est supérieure à 200 $ et qu'il ne connaît pas les nom et adresse du donateur ou, dans le cas d'une contribution d'une société à dénomination numérique, le nom du premier dirigeant ou du président de cette société, il doit remettre sans délai une somme d'argent égale à la valeur de la contribution reçue de ce donateur au directeur général des élections, qui la transmettra au receveur général du Canada.

Ne sont pas admissibles à apporter une contribution à un parti :
- une personne qui n'est ni citoyen canadien ni résident permanent au sens du paragraphe 2(1) de la *Loi sur l'immigration*;
- une personne morale ou une association qui n'exerce pas d'activités au Canada;
- un syndicat qui n'est pas titulaire d'un droit de négocier collectivement au Canada;
- un parti politique étranger;
- un État étranger ou un de ses mandataires.

En cas de réception d'une contribution d'une telle source, l'agent principal ou un agent enregistré doit, dans les 30 jours suivant le moment où il prend connaissance de l'inadmissibilité du donateur, remettre la contribution au donateur. Si ce n'est pas possible, il doit la remettre au directeur général des élections, qui la transmettra au receveur général du Canada.

Rapport du vérificateur
(Conformément aux sections 424(2)*(f)* et 424(2)*(g)* de la Loi électorale du Canada)

Association des Néo-démocrates du Canada

J'ai vérifié le bilan de l'Association du Nouveau parti démocratique au 31 décembre 2002 et les états des revenus et dépenses, de l'avoir des membres et de l'évolution de la posture financière de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe au Nouveau parti démocratique. Ma responsabilité consiste à exprimer une opinion sur ces états financiers en me fondant sur ma vérification.

Ma vérification des états financiers du Bureau fédéral du Nouveau parti démocratique a été effectuée conformément aux normes de vérification canadiennes généralement reconnues. Les normes exigent que la vérification soit planifiée de manière à fournir un degré raisonnable de certitude quant à l'absence d'inexactitudes importantes dans les états financiers. La vérification comprend l'examen par sondages des informations probantes à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction. Pour les autres ailes du Nouveau parti démocratique, je me suis fié aux états financiers fournis par les vérificateurs qui ont examiné ces dits états financiers.

Tous les états financiers sur lesquels je me suis fié ont été vérifiés et sans réserve sauf pour une limitation générale sur la vérification des revenus – qu'il n'était pas possible, compte tenu la nature des revenus, de vérifier les revenus au-delà des traitements comptables des reçus tels que versés aux livres comptables. De façon générale, l'examen n'était pas conçu pour déterminer l'étendue des omissions, le cas échéant, des dossiers comptables.

À mon avis, sujet aux limitations, ces états financiers présentent fidèlement, à tous égards importants, la situation financière du Nouveau parti démocratique au 31 décembre 2002, ainsi que les résultats de ses activités pour l'exercice terminé à cette date selon les principes comptables canadiens généralement reconnus.

Auditor's Report
(Pursuant to Section 424(2)(f) and 424(2)(g) of the Canada Elections Act)

New Democrats of Canada Association
1001 - 75 Albert Street
Ottawa, Ontario
K1P 5E7

I have audited the balance sheet of the New Democratic Party as at December 31, 2002 and the statements of revenue and expenses, members' equity, and financial transactions return for the year then ended. These financial statements are the responsibility of the New Democratic Party. My responsibility is to express an opinion on these financial statements based on my audit.

My audit, of the financial statements of the New Democratic Party Federal Office, was conducted in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management. For the remaining New Democratic Party organizations, I have relied on the reports of the auditors who have examined these financial statements.

All of the financial reports on which I have relied were audited and unqualified except for a general limitation on the verification of revenue - that it was not possible because of the nature of revenue, to verify income beyond accounting for the receipts as recorded in the books. Generally, examinations were not designed to determine the extent of omissions, if any, from the accounting records.

In my opinion, subject to the above limitation, these financial statements present fairly, in all material respects, the financial position of the New Democratic Party as at December 31, 2002 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

Auditors' Report on Financial Transactions Return

To the Chief Electoral Officer, Elections Canada

At the request of the Progressive Conservative Party of Canada, we have audited its Financial Transactions Return prepared in accordance with Sections 424(2)(a), (b), (c), (c.1), (d), (e), (f)(i) and (ii), (h), (i), (j) and (k) of the Canada Elections Act (the "Act") for the year ended December 31, 2002. This financial information is the responsibility of the management of the Progressive Conservative Party of Canada. Our responsibility, in accordance with Section 426(1) of the Act, is to express an opinion on this financial information based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In common with many not-for-profit organizations, the Progressive Conservative Party of Canada, derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of revenue from this source was limited to accounting for the amounts recorded in the books of the Party and we were not able to determine whether any adjustment might be necessary to the amount of contributions reported.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, this financial information presents fairly, in all material respects, the contributions received and financial information required to be reported under the Act for the year ended December 31, 2002 in accordance with the provisions of Sections 424(2)(a), (b), (c), (c.1), (d), (e), (f) (i) and (ii), (h), (i), (j) and (k) of the Act.

Rapport des vérificateurs sur le rapport d'élection sur les transactions financières

Au Directeur général des élections du Canada, Élections Canada

À la demande du Parti progressif-conservateur du Canada, nous avons vérifié son rapport financier d'un parti politique préparé conformément aux articles 424(2)(a), (b), (c), (c.1), (d), (e), (f)(i) et (ii), (h), (i), (j) et (k) de la Loi électorale du Canada (la "Loi") de l'exercice terminé le 31 décembre 2002. La responsabilité de cette information financière incombe à la direction du Parti progressif-conservateur du Canada. Conformément à l'article 426(1) de la Loi, notre responsabilité consiste à exprimer une opinion sur cette information financière en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que l'information financière est exempte d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans l'information financière. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble de l'information financière.

Comme c'est le cas dans de nombreux organismes à but non lucratif, le Parti progressif-conservateur du Canada tire une partie de ses revenus de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, notre vérification de cette source de revenus s'est limitée aux montants comptabilisés dans les registres du Parti et nous n'avons pas pu juger s'il fallait porter des redressements au montant des contributions reportées.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les revenus de contributions mentionnées au paragraphe précédent ont tous été comptabilisés, cette information financière donne, à tous les égards importants, une image fidèle des contributions reçues et de l'information devant être reportée conformément à la Loi pour l'exercice terminé le 31 décembre 2002 en vertu des dispositions des articles 424(2)(a), (b), (c), (c.1), (d), (e), (f)(i) et (ii), (h), (i), (j) et (k) de la Loi.

Auditors' Report

Directors of PC Canada Fund
Progressive Conservative Party of Canada

We have audited the balance sheet of the Progressive Conservative Party of Canada (the Party) as at December 31, 2002 and the statements of revenue and expenses and of changes in net assets for the year then ended. These financial statements are the responsibility of the Party's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether these financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements' presentation.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of revenue from this source was limited to accounting for the amounts recorded in the books of the Party and we were not able to determine whether any adjustment might be necessary to contributions revenue, excess of revenue over expenses, assets or net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Party as at December 31, 2002 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Rapport des vérificateurs

Aux administrateurs du Fonds PC du Canada
Parti Progressiste-Conservateur du Canada

Nous avons vérifié le bilan du Parti Progressiste-Conservateur du Canada (le Parti) au 31 décembre 2002 et les états des revenus et dépenses et des variations de l'actif net de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction du Parti. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le Parti tire une fraction importante de ses revenus de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, notre vérification de ces revenus s'est limitée aux montants comptabilisés dans les livres du Parti et nous n'avons pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des revenus sur les dépenses, de l'actif ou de l'actif net.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière du Parti au 31 décembre 2002, ainsi que des résultats de son exploitation et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

AUDITOR'S REPORT ON THE FINANCIAL TRANSACTIONS RETURN

To the Chief Electoral Officer, Elections Canada

At the request of the Green Party of Canada, I have audited the Financial Transactions Return prepared in accordance with Sections 424(2)(a),(b),(c),(c.1),(d),(e),(f)(i) and (ii),(h),(i),(j) and (k) of the Canada Elections Act (the "Act") for the year ended December 31, 2002. This financial information is the responsibility of the management of the Green Party of Canada. My responsibility with Section 426(1) of the Act, is to express an opinion on this financial information based on my audit.

Except as explained in the following paragraph I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall presentation of the financial information.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions , the completeness of which is not susceptible of satisfactory audit verification. Accordingly, my verification of these revenues were limited to the amounts recorded in the books of the head office and from receipts provided by individual riding associations. Furthermore, only the expenses of the head office have been reflected in the Financial Transactions Return. As such, I was not able to determine whether any adjustments might be necessary to the financial information.

In my opinion, except for the effect of adjustment, if any, which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of the contributions and other matters mentioned in the preceding paragraph, this financial information presents fairly, in all material respects, the contributions received and financial information required to be reported under the Act for the year ended December 31, 2002 in accordance with the provisions of Sections 424(2)(a),(b),(c),(c.1),(d),(e),(f)(i) and (ii),(h),(i),(j) and (k) of the Act.

AUDITOR'S REPORT

To The Chief Agent of the Green Party of Canada

I have audited the balance sheet of Green Party Of Canada as at December 31, 2002 and the statements of operations and surplus for the year then ended. These financial statements are the responsibility of the corporation's Board of Directors. My responsibility is to express an opinion on these financial statements based on my audit.

Except as explained in the following paragraph I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Board of Directors, as well as evaluating the overall financial statement presentation.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, my verification of revenue from this source was limited to accounting for the amounts recorded in the books of the head office of the party and from receipts provided by individual riding associations. Furthermore as the Party has minimum control over the activities of the individual riding associations, only assets, liabilities and expenses, of the head office, have been reflected in the financial statements. As such I was not able to determine whether any adjustments might be necessary to revenue, expenses, excess of revenue over expenses, assets and net assets(liabilities).

In my opinion, except for the effect of adjustment, if any, which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of the accounting records, as mentioned in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Party as at December 31, 2002 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles on a basis consistent with that of the preceding year.

AUDITOR'S REPORT
ON
POLITICAL PARTY TRUST FUND RETURN

To John Anderson, Chief Agent for The Green Party of Canada

As the Green Party of Canada did not maintain a trust fund for the fiscal year 2002, to be used for an election, its requirement to file the Political Party Trust Fund Return, under Section 428 of the Canada Elections Act, was restricted to filing a nil return.

As such my audit was restricted to obtaining a letter of representation signed by the Chief Agent, that the Party did not maintain a trust fund.

In my opinion, subject to the accuracy of the representation mentioned above, the nil return of the Political Party Trust Fund Return, for the fiscal year 2002, is in accordance with the Canada Elections Act.
